## **PROGRAMME**

of the training lecture

**“How to find financial support for my research ?**

**How to prepare a competitive project proposal ?”**

The lecture in the series of lectures within the training  
**“Fundamentals of Research Work”**

for researchers of the Institute of Mathematics of the Czech Academy of Sciences.

The training course is executed within the project CZ.02.2.69/0.0/0.0/18\_054/0014664 Institute of Mathematics goes for HR Award - implementation of the professional HR management.

**Mgr. Beata Kubiš, Ph.D.**

Institute of Mathematics of the Czech Academy of Sciences

**Tuesday, October 6, 13:00 – 15:00**

Blue lecture hall of the Institute of Mathematics, Žitná 25, Prague 1.

The lecture will be live-streamed online via Zoom:

Meeting ID: 919 9300 3498

Passcode: 717222

### **Abstract of the lecture:**

We provide an overview of the possibilities of finding a financial support for research in mathematics. In the first part of the training, the available grants by the Czech Science Foundation, selected programmes of the Ministry of Education, Youth and Sports, and ERC grants will be presented. The second part is planned as interactive training: we will learn how to prepare a successful project proposal (case study), and how to work in the GRIS application system (relevant for all GAČR grant competitions). The training is aimed at early stage researchers and at all newly recruited researchers of the Institute.
